CHILDREN HOSPITAL

NEW BORN & CHILD INTENSIVE CARE SUPER SPECIALITY & RESEARCH CENTRE

ONLY HOSPITAL IN HARYANA WHO IS SERVING ADVANCED PEDIATRIC FACILITIES AT MINIMUM COST

SPES Children Hospital is the only Hospital of Haryana that is on a Mission to serve the all segments of society. We always endeavour to provide modern treatment to every child like other multispecialty hospitals in metro cities with best possible efforts of our qualified team at very affordable price. SPES Children Hospital was founded in 2014 which is equipped with all advance machinery and equipments. Here we have facilities like Ventilators, Phototherapy, Operation theatre etc and have successfully treated more then 5000 critically sick children. SPES Children Hospital's motive is to do social service which has now become the daily routine for us and its importance have been growing day by day.
